Abstract Submission Guideline ISS10

Abstracts are to be submitted online for the 10th International Symposium on Sturgeons 2025 in Yichang starting on May 1st 2025 using the following link

https://iss10.whu.edu.cn/en/Registration.html#b1

Abstracts may be submitted to the symposium themes as outlined in the dropdown menu.

The **deadline for abstract submission is August 15th** 2025.

Please ensure your submitted abstract does not exceed a maximum of 300 words. Abstracts should include a statement of objectives, a brief description of methods, principal results, and conclusions or management recommendations.

A figure can be included to illustrate the key message of the paper.

Format: The text should be submitted with a left-hand margin of 4 cm and double-spaced. Include scientific names in the abstract but not in the title. The title should clearly describe what will be presented and should avoid abbreviation of place names (e.g. state or country).

For formatting the presenting author's name and surname, affiliation, address, phone, and e-mail, as well as names of co-authors and their affiliations, details on units, abbreviations and illustrations, please follow the HHE formatting guidelines (https://www.sciepublish.com/journals/hee/instructions).

All presenters must indicate their presentation preference – ORAL or POSTER at the time of submission and the preferred session.

Authors are requested to indicate if they are interested in submitting a full paper to the proceedings when submitting their abstract.

Additional information regarding timelines related to the provision of manuscripts for the proceedings will be made available after the abstract submission deadline.

Oral presentations will be limited to 20 minutes (15-minute presentation with 5 minutes for questions). Guidelines on oral and poster presentations, will be posted on the conference website.
